

# ePension Manual

**About ePension System :** ePension System (<http://epension.up.nic.in/UPOPS>) is a web based application developed using Open Source Technology. This system has automated the business process involved in the processing of pension and it's dissemination to the beneficiaries.

**Intended Audience :** User is supposed to have prior knowledge of computer handling and internet browsing. He / She is supposed to compile information on ePension form (available on the portal) prior to proceed for the data entry in ePension system.

**Scope :** This manual is for Accountant roll and describes how to calculate or put objection on case.

Roll described:  
Accountant
